A NOTE FROM TOM...

2019 is certainly shaping up to be an exciting year for all. In between juggling wine shipments that were threatening to not arrive in time and the added excitement of a “rosé rush” in February!?! (and let’s be honest, that one caught us a bit by surprise), we’ve also been on the hunt for some fabulous, new wines to add to our list.

And boy, oh boy, have we got some treats for you! From a delicious, new world chardonnay, to some juicy Italian reds, we’ve even found a new, tasty rosé along the way.

As always, we’ve thoroughly tasted all our wines and while we’re always focusing on “absolute deliciousness”, we’ve also been making a push on sustainably made wines. You’ll find organic, biodynamic and vegan wines aplenty. In fact, we’re rather proud of our new collection and we think you’ll be chuffed, too.

We’ve done the hard bit and narrowed it down to 100 wines for you, so please get in touch and let us steer you toward the wines that you’ll love.
